

Brand New 5-Star Retirement Community in Port Coquitlam

Avenir opened its 135-suite Astoria Resort Retirement community this January, on the heels of five previous and very successful retirement communities from the family-owned builder and operator.

Located in the heart of Port Coquitlam at 2245 Kelly Avenue, Astoria features Independent Living suites with Assisted Living services available to resident's a-la-Carte.

The Astoria design is suggestive of the luxury mountain style hotels of Whistler and Jasper, and most of the community enjoys stunning views of the Rocky Mountains.

Jason Gurash, Vice President of Vancouver-based Avenir, says the family-owned firm can offer the luxurious lifestyle at affordable prices because they construct, design and operate their facilities.

Firm President, Les Craik, his wife Violet, son Jason and son-in-law Jay Gurash, believe they are making a difference in seniors' lives because of their "mission of the heart, people first" philosophy.

Residents enjoy all-time gourmet dining, prepared by the highest quality Red Seal Chef's.

Astoria residents rarely need to look elsewhere for fun and entertainment. Many residents join friends in the Lion's Gate Bridge Room, Art & Soc's Billiard Room, Whistler Cinema and Concession Stand, Canucks Wellness Center, Athabasca Dining Room, Papa George's Piano Bar, the Maligne Lounge with flat screen TVs, River Rock Café or Lillian's Beauty Parlor.

Additionally, Astoria has a fitness center and also offers nutritional guidance and mental aerobics to help residents stay physically and mentally fit.

Centrally located in Port Coquitlam, the area is well known for its shopping malls and services where you can explore a variety of restaurants and the many recreational opportunities close at hand.

This 65+ community recently launched a new website, www.AstoriaLiving.ca, where you can get a real feel for the community detail-oriented design.
